

The Rise of Asian Civilizations: A Summer Workshop

Saturday, July 8, 2017 • 9:00am-5:30pm
UNC-Chapel Hill

For hundreds of years, Asia has built rich civilizations known for their cultures and advancements in technology. Join us for a day-long workshop as we dive deeper into the development of these civilizations and their modern states through examining cultural items and practices.

Gain a historical overview of the transformations of Asian civilizations

Interact with the materials through film, art from the Ackland Art Museum, panels, and more

Make connections between different Asian civilizations & earn CEUs

Utilize new perspectives in teaching about Asia with local and global connections

This workshop is FREE and open to all K-12 and pre-service educators.

Space is limited, register today!
